

# Tiemme Multilayer Pipe System Al-Cobrapex Covered by a 10 year Warranty

**Tiemme Raccorderie S.p.A.** Multilayer Pipe System is covered by a ten year warranty. Our Multilayer Pipe System has to be installed into a heating and sanitary system. The warranty is granted with a certification, called: **ZERO10 WARRANTY "Zero Risk for 10 Year!"**.

The above mentioned certification is issued on request of the plumber.

Tiemme Multilayer Pipe System is made up of:

**Multilayer pipe "Al-cobrapex"**

**Compression fittings for multilayer pipe "Al-cobrapex" series 1600**

**Press-fittings for multilayer pipe "Al-cobrapex" series 1650**

**We will guarantee an insurance cover concerning Tiemme Multilayer System for 10 years from the date of installation.**

**The warranty is valid for Tiemme installed products on condition that:**

- you install and use only Tiemme products
- you follow carefully the assembly instructions on Tiemme catalogues and technical specifications
- to connect multilayer pipe "Al-cobrapex" with press-fittings series 1650, fittings have to be pressed only with TIEMME TONGS recognizable from  logo on the body of the tongs. Tiemme logo  is marked on the stainless steel support of the fitting
- you test the system according to law and regulation in force and following the instruction of Tiemme catalogues
- the plumber asks for the certification for the ten year warranty, filling up the questionnaire on our website [www.tiemme.com](http://www.tiemme.com) in the section download
- in case of claim please contact Tiemme in writing within 5 working days from the date of accident
- in case of accident, the customer has to send the required documents to Tiemme

## World wide coverage

The ten year warranty is valid for Tiemme Multilayer System's products sold by Tiemme in all countries and for damages which might happen all over the world.

## The warranty is not valid if:

- you have installed or used products not supplied by Tiemme Raccorderie S.p.A.
- you have installed Tiemme Multilayer Pipe System's products with equipment not supplied by Tiemme
- you have not used TIEMME TONGS to press fittings of series 1650
- you have put Tiemme products through extreme condition beyond limit shown in Tiemme catalogue and/or law and regulation in force
- you have not followed the assembly instructions of Tiemme catalogues
- the system has not been carried out according to law and regulations in force and Tiemme catalogues' instructions
- Tiemme products have been broken or damaged
- The customer does not send to Tiemme Raccorderie S.p.A. a registered mail within 5 working days from the date of the accident
- The damage has not been proved with photographs and samples
